A Bad Sign? "Footer for Mayor" hung during the Election Day for more than 8 hours upside down in the burning sun in front of the St. Albert Post Office. Was it a bad sign for

Fowler? The answer was no because despite this upside down period he and his teammates won easily the July 7, 1965 Town Elections. For more election news see page 2 and 6.

CANCELLATION OF \$16000 UNCOLLECTABLE TAXES

Council Meeting, July 12, 1965

This was the first Council meeting of the newly elected Council. Mayor Fowler stated that it was indeed a pleasure for him to see the Council Chamber again. He offered his congratulations to all the other candidates who didn't win a seat but did the job as good citizens. He also thanked the past Mayor, John de Brujin, for the fine job he had done in January of this year.

Concerning a sum of \$16,000 uncollectable taxes on the curling rink, Councillor de Brujin explained to Council why he had voted to cancel this \$16,000

taxes. He said that the town will buy the curling rink and we can only have a clear title if the tax notice is taken away from the rink. This tax money goes over the years 1961, 1962, 1963 and 1964. The Bank of Nova Scotia will write off a considerable amount of their interest (approximately \$10,000) of the borrowed money over these years and the town will cancel the taxes over the same period. The money for the purchase of the rink (\$125,000) has already been received from the Alberta Municipal Financing Corporation. During the discussion following the statement of Councillor

de Brujin, Councillor Donais said that we now have a chance to buy a good curling rink for only \$95,000 because the town of Ft. Saskatchewan, which has a much smaller population than St. Albert, has decided to build a six-sheet curling rink for \$125,000. Mayor Fowler's remarks were that I know about this business because I sold them the ice plant. Council voted for this cancellation with Councillors Bakker and Stewart opposed. In favor were Mayor Fowler and the Councillors de Brujin, Donais, Wheatley and Parkes.

Correspondence

Two letters of congratulations were sent to the newly elected Mayor and Councillors, one from Mr. & Mrs. Gibbons of St. Albert and one from Mr. & Mrs. Neil Ross and Mr. & Mrs. LeBlanc who are at present touring on a holiday in California.

Sturgeon Hospital Board

Councillor Parkes wanted to know why a non-practicing physician (Dr. Stewart) and a non-physician (John de Brujin) were appointed as representatives for St. Albert as Board Members for St. Albert on the Sturgeon Hospital Board. Councillor de Brujin stated that it is not a custom that a practicing physician will also be a member of the Hospital Board and it is also important he said, that the Board has at least some members who are experienced in the municipal financing field. Mayor Fowler didn't understand why the two new members were appointed before the official letter was received from the Department of Health. Councillor Donais said "I think there is nothing wrong with this appointment," and Councillor Bakker added "I think the appointment is okay." Councillor Parkes was still not convinced and stated that it seems that the appointment was hastily done. Councillor Wheatley moved that the appointment of the Councillors de Brujin and Stewart be confirmed until the first Council meeting after the October elections 1965. Councillor Parkes voted against this motion which was carried.

ELECTION

Election Campaign

The pre-election period of the July 7, 1965, town elections will be recorded as one of the cleanest political campaigns of the last five years in our town. Candidates and electors have shown to behave themselves as good members of our community with a strong feeling of responsibility towards our whole society. We are very pleased that this campaign period ended without any dishonorable moment. Special thanks goes to our Chamber who sponsored, once again, an election rally for all the election candidates with this year more time given for a question period from the floor.

Election Day

The overall turnout of this election was approximately 44% which is 3% lower than the October 1964 election. Many of our citizens were on holidays which is probably the reason we dropped to. We wonder why 50% of our taxpayers are not interested in our town affairs which is certainly very disappointing.

Election Results

Our congratulations to Mayor Richard Fowler who received such a solid support from all our districts in the town. This victory is, beyond all question, an impressive one which assures him of a strong overall backing of about 70% of all our citizens. His platform is accepted with an overwhelming majority and he deserves our respect for the way he has brought this program before the people. Let all of us give him a fair chance to work with his Council in peace and harmony for the sake of our town. We wish him all the best, especially with the tremendous difficult we cases from St. Albert Development and Engineered Homes. Council Wheatley topped the rolls and we hope that his experience as a lawyer will be of a great benefit for our Council and the town as a whole. All his slate partners came out with impressive vote numbers. As the runner up, Don Sinclair, received 1,018 votes, 417 more than George Willis who was the closest to him.

The electors have clearly expressed their wish to follow the program of this slate which supported the platform of Mayor Fowler strongly. Our congratulations to Richard Wheatley, Armand Doinais, and Bob Farres, with their outstanding victory. Council will face many problems but a team that won the confidence of our citizens in such a convincing way can attack these problems with more courage, energy and security.

John Bokken, as a clear independent, found his way back to Council. It proves that in our town is also place for independent candidates. Our congratulations with his solid third place after Dick Wheatley and Dick Fowler.

The salary for mayor was once again defeated. We regret that the mayor, with so many responsibilities and duties, still has to give his time and effort as a volunteer. It is time that all of us review our opinion in regard to this so important matter. For the losers, our thanks that they made this election an interesting and lively one, fulfilling an honorable task as good citizens of our community. Last, but not least, we urge our citizens to attend Council meetings so that each of us will know what is going on and can talk with authority about our town affairs. We know that the Mayor and all of the Councillors will very much appreciate your attendance.

INDUSTRIAL DEVELOPMENT

As each candidate has expressed her wishes to promote strongly industrial development in our town and as each candidate during former elections has done the same, we sincerely hope that this new Council will find a realistic way to succeed with the establishment of more industries in our town. As is said in the past, an Industrial Board and/or an Industrial Development Officer is one of the most urgent necessities for our town. With the backing of all Councillors, a way can be found to get it going.

THANK YOU ...

I would like to take this opportunity to thank all my friends and supporters who voted to secure my re-election in the July 7th election. I shall certainly endeavour to secure completion of the points in my letter requesting your support.

Don Harvey

THANK YOU ...

School Board Voters!

My thanks to all those who gave me their support. I would like to offer my assistance to all parents of the Separate School District. If you have any problems, please phone me at 599-2274.

Robert Howell.

THANK YOU ...

I wish to extend sincere thanks and appreciation to all the persons who worked on my behalf and to all the citizens of St. Albert who supported me on July 7th.

I hope that the confidence placed in me by the voters will be justified by the progress that I on our your new Council will make.

Richard Wheatley.

THANK YOU

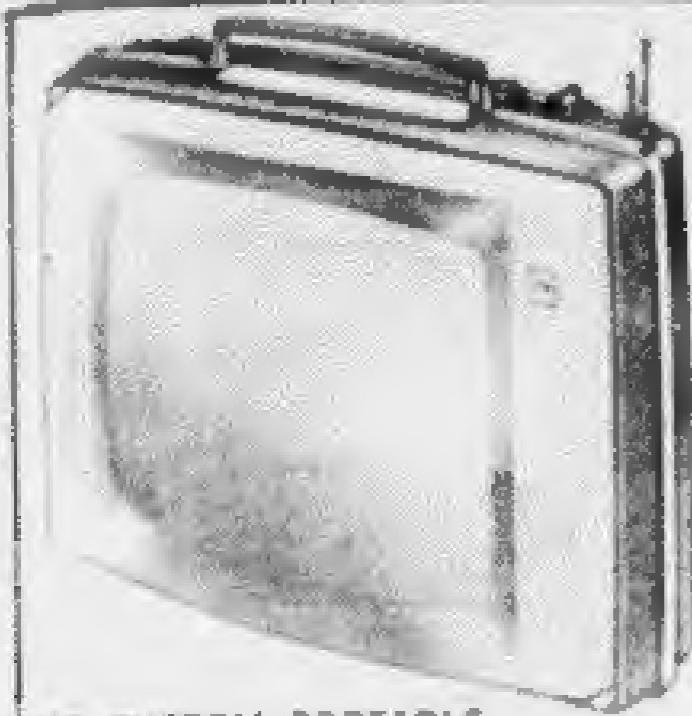

The St. Albert Voters Association thank all the citizens who supported our candidates in the past election.

ALL CURLERS !

A public meeting will be held on Monday, July 19, 1965 at 8:00 P.M. in the new Recreation Club Building, Greenfield and Greenham to discuss the future plans of the St. Albert Curling Club. A report will be made on last year's operations and on the present negotiations between the owners & the rent and the town.

All curlers please attend.

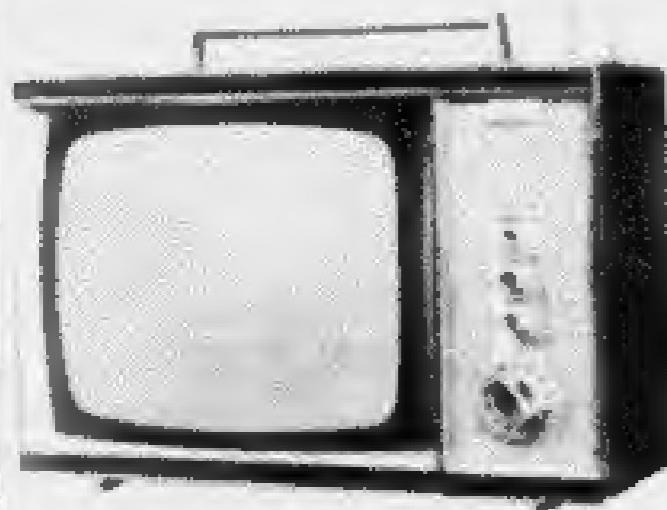

A. Doinais, President

From Our Readers

Where were the Protestant School Board Trustees on the evening of Thursday, July 8th? Certainly not at the School Board meeting.

It seems that their pre-election fervour evaporated immediately the election results were in. The only trustees present were Dr. Cutts and Mr. Usher; a quorum was not obtained, and therefore the meeting was abandoned with no work accomplished.

I understand that the next regular meeting of the board is on August 26th, which scarcely leaves enough time for preparation for the beginning of the school year.

May we have a little application to your duties, gentlemen, and a little concern for the education of our children?

Concerned Parent.

UNITED CHURCH

St. Albert United Church News

Last Sunday, July 11, the combined service of St. Albert United and Presbyterian Churches was conducted by Mr. Dale Irving. Mr. Irving preached on the topic, "How Does One Start to be a Christian?" In this sermon he mentioned, in regard to the Christian life, that: "It is often easier to act yourself into a new way of thinking than to think yourself into a new way of acting." Mrs. D. Paret was the guest organist for the service.

Vacation Church School '65 started off with a bang Monday morning, July 12 at 9:00 A.M., in the United Church basement. Sixty-two children registered the first day, and it is expected that by the end of the week there will be 75 - 80 children attending. "Parent's Night" will be held Friday, July 16, at 7:30 P.M., at which time the children will display the projects which they have been working on all week. Lunch will be served following the evening's activities. Everyone is welcome!

Church Office Hours: For the next two weeks only, Mr. Irving will be in the Church office from 1:30 to 3:30 each day, due to Vacation School responsibilities. Phone: 5-9-0552.

Family Camp: The Triple-A Club is sponsoring a Family Camp at Long Island Lake Campsite, August 6 - 16 (or any part thereof) convenient to the family. Cost: \$1.00 per day per camper. For information and/or application please call Mr. or Mrs. Ben Smith at 5-9-6442.

Our Memorial Stone at the corner of Pirion and Churchill Avenue is in a very dismantled condition. The concrete has loosened after the strong winter and the wreaths are all scattered over the place!

It is time that those who are responsible for the maintenance of this War Monument will give it the proper sight back that it deserves.

CHERCHEZ LA FEMME

By Florence Lefebvre
Phone 599-7030

Have you ever wondered what the occupant and operator of a tower in the Northern part of Alberta does during the spring and summer months? We received a very interesting letter this week, and thought it might interest you as well (the letter will be published in next week's Gazette). He even sent a recipe:

Here is something you can use with meat in any form (even shrimps). When using chicken, cut into pieces, saute until brown but not thoroughly cooked, in frying pan. Place in a large pot and cover with water. In frying pan, having kept the dripping saute until clear, the following:
 1 stalk celery, cut into $\frac{1}{4}$ inch thick slices about 1 inch long
 6 onions, small or medium
 2 cloves of garlic, cut very fine
 bay leaves to taste
 1 green pepper if available
 Pour on top of meat. Braise, brown 1/2 to 2 cups flour in the same frying pan, adding broth from the

chicken until it can be poured into your pan, adding salt, pepper, cayenne, thyme, 8 or 10 bay leaves. One hour or 1 1/2 hrs. cooking is needed to develop the bouquet of the various ingredients. The flour is for taste mostly and for thickening too. If you want to thicken more, add corn starch to taste. Cook wide type egg noodles to accompany this. Serve French bread, a tossed salad - rough torn lettuce, large pieces of tomatoes, celery, 1 onion, 1 cup raisins, 1 clove garlic chopped very, very fine, olive oil and cedar vinegar.

Start your meal with the salad alone, as the old-country French do, then your main course. For wine, serve Chianti or a Sauterne - Voila!

Note: For variations, place dumplings on top of chicken during the last 15-18 minutes of cooking.

How's that for a man's taste in food, girls?

Social

Family Reunion in Calgary

Friday, July 2, was a very exciting day for Mrs. J. Raymond of St. Albert. She was reunited with her son-in-law, Ernest Smith of Lincoln, Lancashire, England. Married to her daughter, Lena whom she has not seen for 11 years,

REGISTRATION FOR SUMMER LESSONS

If you are interested in registering for swimming in the Augus-
ust session, 2nd to 6th, please make
your registration at 10 a.m. at the

Parks and Recreation Department in
the Town Hall. Deadline July 23.

ACTIVITIES IN THE PLAYGROUNDS

Last week was safety week on
the playground. A visit to the
Fire Hall took place Thursday and
Friday. Mr. Tetarenko, Fire Chief,
and Mr. Poulin showed these children
through the Fire Hall and gave
them a talk on safety.

Registration for the Recreation
Day on the 10th was made but due to
rainy and muddy grounds this day had
to be postponed to the 24th.

Attendance was lower than we
had anticipated. The Directors
feel this was due to the rain and
are looking forward to sunny skies
and lots of children.

SCHEDULE FOR JULY 12 - 17

This week is Klondike week on
the playgrounds. A bus tour to
Edmonton's Molson House with children
dressed in Klondike style will
take place on the following dates:
Grandin Playground - Tuesday,
July 13 at 2:00 P.M.
Lion's and Mission Playgrounds -
Wednesday, July 14, at 2:00 P.M.
Sturgeon Tot-Lot and Playground -
Thursday, July 15, at 2:00 P.M.

Please note a fee of 25 cents
will be charged for each bus trip,
and written permission from parents
is necessary.

Other events on the playgrounds
will be a dollshow, a crazy day,
and Friday the children are inviting
the parents to a puppet show.

Please check with playground
directors for detailed information
on these events.

SCHEDULE FOR JULY 19 - 23

This will be nature and science
week on the playgrounds. A visit
to the Planetarium will take place
on the following dates:
Grandin Playground - July 20, at
1:00 P.M.

Lion's and Mission Playgrounds -
July 21 at 1:00 P.M.
Sturgeon Tot-Lot and Playground -
July 22 at 1:00 P.M.

Events to take place during the
week will be making a chemical
garden, sun dial, and a worm hunt
followed by a contest. The week
will end with a nature hike.

For more information about the
hike watch for next weeks Gazette.

BASEBALL CLINIC

A baseball clinic is being held
on Grandin, Mission, and Sturgeon,
(Sir Alexander Mackenzie School)
playgrounds for 8, 9, and 10 year
olds; Monday, Tuesday, and Wednesday,
July 19, 20, and 21 at 6:30 P.M.
Interested children should register w/
with the playground director.

MEN'S FASTBALL TEAM

Anyone interested in playing on
a Men's Fastball Team please contact
the Parks and Recreation Department
by phoning 499-6601.

RECREATION DAY

TO BE HELD JULY 24

Due to the rain and mud on
July 10 we were forced to cancel
our scheduled playground opening.

This week is exhibition week
and everyone seems to be deeply
involved in the many activities,
therefore, we plan to hold our

continued on page 10

Recreation Day
continued from page 9

official opening Saturday, July 24.

Among the many other events, Playground Players from the City of Edmonton will be performing.

Watch for next week's Gazette for a detailed outline of Saturday's program.

HERCULES

Mites

Saturday, July 3rd

Hornets - Hobos 3 - 1

This game surely proved that the Mite League not only has a good team but also good individual players. The Star of the game, Stewart MacKinnon, drove in all three shots for the Hornets. The lone scorer for the Hobos was Raymond LeBlanc.

Sunday, July 4

St. Albert Mites - Jasper Place Pee wee

This game was tied 2 - 2 and was the best game played of the season for the Mites. The boys all worked hard for this outstanding victory. Goals were scored by Don Davies and Stuart MacKinnon.

Wednesday, July 7th

Hobos - Hotshots 1 - 1

If the Mites played as well against Edmonton, they would have had no trouble in winning. The game was very rough but well played.

Sunday, July 11th

Pee Wee 11 Mites 1 - 1

Again the Mites earned their shell in this exciting game. The Mites who were stronger on the whole scored their only goal in the first half (by MacKinnon).

WEDDING - GROENWOLD - VANDOMMELAAR

A candlelight ceremony was the lovely setting for the marriage vow taken by Miss Audrey Vandommelaar, youngest daughter of Mr. & Mrs. John Vandommelaar of St. Albert and Mr. Herman Groenwold, eldest son of Mr. & Mrs. Ray Groenwold of Edmonton.

The bride given in marriage by her father, wore a floor length satin sheath with over lapping skirt falling into a train. Her headpiece, a pearl crown, held together a shoulder length veil. She carried a bouquet of red roses. Maid of Honor, Miss Elizabeth Brockman, assisted by bridesmaid, Mrs. Jenny Kuipers, wore floor length gowns of contrasting satin blues, with matching pill box headpieces. They carried bouquets of successively deep red and pink carnations. The flower girl, Miss Karen Lucas, wore a long full skirted satin gown trimmed with a chiffon bow with set in pearls. Her headpiece was made of matching blue flowers and she carried a basket of pink carnations.

Page boy, Master Harold Vandommelaar, wore a blue cotton knit suit. He carried a white satin pillow trimmed with blue.

The groom was attended by his brother, Mr. Henry Groenwold and Mr. Jim Vandommelaar, brother of the bride. They looked handsome in their black tuxedos and all wore a white carnation.

Rev. R. G. Klaasse performed the ceremony at the Third Christian Reformed Church in Edmonton.

The mother of the bride was dressed in a blue sheath with a matching lace coat and white accessories. She wore a corsage of pink carnations.

The mother of the groom wore a dark blue sheath with matching jacket and white accessories. She wore a corsage of red carnations.

For her maid of honor, the bride chose a two piece suit of blue with white and black stripes.

After a reception at the park, the couple went to their home in Edmonton.

Mosquitoes
continued from page 12

Parks Department; naturally, treatments with them cost more than spraying with an oil solution. These capsules, like any other poison, should not be left around where children or animals might get them. The water of sloughs treated with them at the recommended rate is, however, not harmful to livestock, where it can be cheaply or conveniently done, draining or filling sloughs and pools is obviously preferable to chemical treatment since it only has to be done once to eliminate the nuisance permanently.

Do not expect quick and easy results in mosquito control. The cooperative cover of a large area is necessary, and

results may be expected to improve in each successive year. In spite of everybody's best efforts, there will be times and places where mosquitoes will be troublesome for many years to come. Then is the time to use a good repellent; dimethyl phthalate is one of the best materials. It is a main ingredient of most commercial repellents, or it can be bought much more cheaply by itself in bulk, and is used undiluted. Apply a thin but continuous film to exposed skin and to clothing if mosquitoes bite through this. Keep it out of your eyes and mouth and off paints, varnishes, and plastics. Wear light coloured but otherwise substantial clothing, and above all don't let the mosquitoes get you down; remember that here you are most unlikely to get any disease from them.

The basement of the new Youville Home which was heavily damaged by water.

Heavy Rainfall

Delays Opening of Youville Home

More than \$25,000 is the estimated value which flooded the sub-basement of this partially completed structure. The situation occurred during the morning and early afternoon of Friday, June 26th. On Saturday morning, Governor Walter J. Sweeny, Superior, was notified of the seriousness of the water damage. He telephoned immediately and instructed the

St. Albert Fire Department to respond. The pumps were not available for four hours. Some extremely heavy rain was available due to the storm which had throughout the day. It was necessary to wait until the water level had dropped to about 18 inches before the pumps could be used. The pumps were used for about 1 hour.

conditions will delay the opening of the new home by at least six weeks, and that it is most regrettable. Patients anxiously watch the progress of the building from their room windows, and seem acutely disappointed. The date for the opening is now set from the 1st of September until October 15th and possibly the beginning of November. During the summer months, packing has been well on the way. By the end of June, the Karmicrite Youville Auxiliary is not active, as relatives visit more frequently during holidays. However, during the actual opening of patient rooms, work will be made for assistance from a number of every possible individual, doctor and groups of friends.

St. Albert Air Cadets at Summer Camp
Shown here are members of 533 Squadron (St. Albert) Royal Canadian Air Cadets now attending Summer Camp at R.C.A.F. Station, Namao.

Back row (left to right): LAC Monte Munro, LAC Maurice Arcand, P/L Roy Hart, LAC Stuart Fraser, LAC Peter Ryan. The St. Albert Cadets are among the 1700 boys from Alberta, B.C. and the Yukon Territory who will take part in camp activities at Namao this summer. The program includes sports, tours, marksmanship and the inevitable drill. The Summer Camp program has been changed

considerably the past years. This year the cadets are forming their own band for the camp. Three St. Albert cadets are in the band, Robert McLean on the trumpet, Julian Blackmore on the side drum and Stuart Fraser on the glockenspiel. Another new feature of the camp, in fact the first time it has ever attempted in Canada, the boys are being given an opportunity to go for a flight in one of the Edmonton Soaring Club's gliders. Several of the local Squadron cadets have already flown in the gliders and report that it is a "terrific" experience.
